5. Purpose

The principle objective of TCT's Governance Committee is to ensure good governance and, in particular, to monitor adherence to best practice in this area. This includes adherence to the CRA's Governance Code, the preparation of the Compliance Record Form and other relevant guidelines. The Committee is also responsible for the induction programme for Board appointees.

Terms of Reference for The Care Trust Committees

The Governance Committee is tasked with performing an annual review to encompass the following: a review of the Board; the performance of the Chairperson; the Committees' performance, size, membership; and the adequacy of information provided for Board meetings. This may include the completion of a Board Skills Assessment Matrix, to be reported to the Board as required.

The Chairperson of the Board is tasked with performing an annual review of the CEO, including discussion of an individually tailored development plan. Any changes proposed following this must be approved by the Board. The Company Secretary must ensure any changes align with governing documents, particularly the Constitution.

6. Annual appraisals

To carry out an annual appraisal, the recommended process is as follows:

- Include an item on the agenda to conduct an evaluation of how the Board operates and of the Chairperson's performance.
- Use the appraisal template contained in Appendix 1 (adapt if necessary).
- Circulate the questionnaire in advance of the meeting.
- Arrange/delegate responsibility for collating the comments from questionnaires.
- Discuss the issues that have become apparent from the questionnaire.
- If the discussion takes place in the absence of the Chairperson, nominate a Director to provide feedback to the Chairperson.
- Minute that discussions have taken place and maintain focus on the specific actions/changes that the Board considers necessary to improve effectiveness.
- Once the evaluation is completed, confirmation of the outcome and any agreed actions are fed back to the Board and recorded appropriately.
- If Directors are to continue in office, include a discussion of the reasons.

7. Minutes

The secretary must circulate minutes of meetings of the Governance Committee to all Members of the Committee and to The Care Trust Chairperson.
